The background features a complex geometric pattern of triangles in various shades of blue (dark, medium, and light). Several thin, dark blue lines intersect across the composition, creating a sense of movement and structure. The text 'KING IMPORT' is prominently displayed in the center, following the angle of one of the background lines.

The background features a complex geometric pattern of triangles in various shades of blue (dark, medium, and light). A prominent dark blue triangle is in the top right corner. Several thin, dark blue lines intersect across the composition, including a long diagonal line that passes through the text.

The background features a complex geometric pattern of triangles in various shades of blue (dark, medium, and light). A prominent dark blue triangle is in the top right corner. Several thin, dark blue lines intersect across the composition, including a long diagonal line and a few shorter horizontal and vertical segments on the left side.
